

Need Liability Insurance for you Event?

Event insurance for your event can be purchased through
Entertainment Brokers International **TULIP Program**.

With rising minimum insurance requirements for events such as yours, it has become increasingly difficult to obtain insurance under you home owner's insurance policy.

The **TULIP program gives you a minimum \$1 Million liability policy for you event** without the worry of placing your home at risk in a claim.

Many clients have already compared insurance premium prices to their home owners' and have found that this program which is **sponsored by the Township of Hamilton** was significantly cheaper. Please check out the TULIP program web site at:
